	QUALITY MANUAL	
	<i>Document Name:</i> Purpose of the Manual	QM 0.2 Rev. No.: 04 October 31, 2022 Page: 1/1

This Quality Manual is documented with the following objectives:

- To provide reliable information, both internally and externally, about the BAI's Quality Management System;
- To demonstrate to the customers, suppliers, stakeholders and other interested parties, the ability of the BAI's established Quality Management System in meeting their requirements and expectations;
- To provide a documented system which serves as a basis in auditing the implementation and effectiveness of the BAI's QMS;
- To provide continuity of the BAI's QMS and its requirements during changing circumstances;
- To validate compliance with the requirements of ISO 9001:2015.

This manual is aligned with the clause numbering scheme of ISO 9001:2015 QMS requirements.
