

## **Management Commitment**

The Top Management (Director and Assistant Director) of the Bureau of Animal Industry is committed to provide all resources needed to ensure the development and implementation of the management system and continual improvement of its effectiveness to fully comply with the requirements of the ISO 9001:2015 QMS of the Bureau of Animal Industry.

The Top Management of the BAI is committed to establish the quality policy and to ensure that the quality objectives are met through the conduct of regular management reviews. The Deputy Quality Management Representatives (Division Chiefs) are committed to communicating with its personnel the importance of meeting customer and regulatory requirements.

  
PAUL C. LIMSON, DVM  
OIC Director

BUREAU OF ANIMAL INDUSTRY
