	<i>Document Name:</i>	QM 5.2.2
<b>Communicating the Quality Policy</b>		Rev. No.: 04 October 31, 2022 Page: 1/1

The Quality Management System Quality Policy shall be:

- a. Communicated to all persons working for or on behalf of the BAI including non-organic employees, visitors so that they are aware of their duties on quality.
- b. Reported by the QMR, Deputy QMR and core team members on the needs of distribution within the organization and relevant interested parties.
- c. Periodically reviewed through management review; or changes of business scope, services, technology to ensure that the policy is always appropriate to the current situation of BAI.
- d. Posted in bulletin boards in the BAI premises for all employees to see.
