Quality Policy Statement

The Bureau of Animal Industry, as a premier institution, is committed to deliver quality products and services exceed stakeholders' expectations through the following initiatives:

1. Guarantee the implementation of quality and competent service programs;
2. Develop and facilitate transfer of new technologies generated from research to the community for sustainable development;
3. Protect and promote animal health and welfare to maximize trade potential of safe and quality animals, animal products and by-products and animal feed products;
4. Strengthen relationship with stakeholders;
5. Sustain good governance and culture sensitivity; and
6. Comply to customer, regulatory and statutory requirements.
