## MEMORANDUM ORDER

No: 25

Series of 2023

**SUBJECT : TAGGING OF INSPECTED AND VERIFIED COMMODITIES IN VETERINARY QUARANTINE STATIONS AND CHECKPOINTS**

In line with the recently issued BAI Memorandum Circular No. 45 S. 2023 "Reiteration of the Requirements for the Local Movement of Meat and Processed Meat Products", BAI Local Shipping Permit shall no longer be a requirement for all cooked processed and canned meat products except for pork-based products which shall continue to follow the guidelines as required by the DA Administrative Circular No. 02 S. 2022 "National Zoning and Movement Plan for the Prevention and Control of ASF".

In this regard, all personnel assigned in the Veterinary Quarantine Stations (VQS) are hereby reminded to adhere to the aforementioned issuances. In addition, upon inspection of the aforementioned commodities, you are directed to tag the documentary requirements (such as but not limited to the copies of the Food and Drug Authority License to Operate and/or Certificate of Product Registration), with the VQS stamp of inspection. This will serve as verification that the commodities have passed the veterinary quarantine inspection.

**For your information and compliance.**
