

MEMORANDUM ORDER

No. 18

Series of 2021

SUBJECT: UPDATING BAI MEMORANDUM ORDER NO.09 S.2019 "VETERINARY QUARANTINE GUIDELINE FOR THE IMPORT OF MEAT INTENDED FOR PERSONAL OR NON-COMMERCIAL USE"

This Memorandum Order is issued to update the veterinary quarantine guideline for the import of meat intended for personal or non-commercial use as provided under BAI MEMORANDUM ORDER NO.09 S.2019, for the information and guidance of all concerned.

1. **PROCESSED MEAT PRODUCTS INCLUDING COOKED AND CANNED MEAT** with a maximum weight of TEN (10) kilograms per passenger, and produced in countries free from African Swine Fever (ASF), Highly Pathogenic Avian Influenza (HPAI), Foot and Mouth Disease (FMD) and other Transboundary Animal Diseases (TADs): **NO PERMIT REQUIRED**

Any excess over 10 kilograms shall be subject to confiscation.

2. **UNPROCESSED MEAT PRODUCTS INCLUDING FRESH, FROZEN, UNCOOKED MEAT PRODUCTS** with a maximum weight of TEN (10) kilograms per passenger and produced in countries free from African Swine Fever (ASF), Highly Pathogenic Avian Influenza (HPAI), Foot and Mouth Disease (FMD), and other Transboundary Animal Diseases (TADs) shall be allowed.

For meat products, exceeding the specified volume, a **SANITARY AND PHYTOSANITARY IMPORT CLEARANCE (SPSIC) IS REQUIRED** prior to the transport of the said commodities.

All Orders previously issued which are inconsistent with the above-cited provisions are hereby superseded.

For compliance.
