MEMORANDUM ORDER

No. 29
Series of 2022

SUBJECT : ADOPTION AND USE OF VETERINARY QUARANTINE STATION REPORTING PORTAL

For the efficient submission and collation of regulatory reports, such as but not limited to Notice of Violation, Incident Report, Show Cause Order, and Disposal Report, the National Veterinary Quarantine Services Division shall adopt the **Veterinary Quarantine Station Portal** as the official mode of reporting. This system effectively replaces the current submission through the NVQSD email beginning December 9, 2022.

In this regard, all Regional Veterinary Quarantine Officers/Chiefs of Veterinary Quarantine Stations (VQS) are, as a result, directed to submit their respective reports to the NVQSD Central Office via this link:

Further, to adequately implement this new reporting system, there will be an orientation on **December 7, 2022**, 10:00 to 11:00 AM via Zoom (link to be posted in quarantine chat group).

Attendance is a must.

For your strict compliance.

Done this 12th day of December 2022.
