MEMORANDUM CIRCULAR

No. 17
Series of 2022

SUBJECT: GUIDELINES ON THE ISSUANCE OF ANIMAL-EVENT ORGANIZER/VETERINARIAN REGISTRATION AND ANIMAL-EVENT CLEARANCE AND QUARANTINE REQUIREMENTS

WHEREAS, RA 8485 “The Animal Welfare Act of 1998” as amended by RA 10631, aims to protect and promote the welfare of all terrestrial, aquatic and marine animals in the Philippines by supervising and regulating the establishment and operations of all animal facilities utilized for breeding, maintaining, keeping, treating, or training of animals either as objects of trade or as household pets.

WHEREAS, the Department of Agriculture Administrative Circular No. 4 Series of 2015 provides procedure for the issuance of the Bureau of Animal Industry Certificate of Registration for animal facilities and any other related animal facilities including animal shows.

BASIC POLICY AND OBJECTIVES

The purpose of this Circular is to protect and promote the welfare of all live animals in animal-related events and to set out the responsibilities of person in-charge, taking into consideration the animal’s need:

- For suitable environment;
- For proper diet;
- To be able to exhibit normal patterns of behaviour;
- To be guarded against fearful and distressful situation;
- To be protected from pain, suffering, injury and disease.

Animal-related events shall adhere to the veterinary public health precepts, laws, rules and regulations.

DEFINITION OF TERMS

Animal refers to any live mammals, birds, amphibians, reptiles and fish.

Animal-related Event or simply animal-event refers to temporary activity involving performance, display or use of live animals and social opportunity for people beyond

A food-secure and resilient Philippines

with empowered and prosperous farmers and fisherfolk

everyday experience. Such events, which attract or have the potential to attract public participation, are often held to raise the profile, image or awareness of a product, service, lifestyle, hobby, association or advocacy. The term animal-event shall be used to mean animal show, animal exhibition, animal expo, pet fun run or any other similar undertakings.

Animal Exhibition refers to the showing or exhibiting of animals in public and/or private places.

Animal Inventory for the purpose of this guideline, refers to the list of animals intended to be part of the exhibition / competition.

Animal Show refers to the exhibition of animals showing their conformation, special behavior and performance whether in a competition, educational or recreational purpose before the public or any interested parties.

Animal-Event Clearance refers to the BAI document granting authorization to an entity to conduct an animal-related event.

Animal-Event Organizer Registration Certificate refers to the BAI document granting authorization to an entity to organize an animal-related event.

Animal-Event Veterinarian Registration Certificate refers to a licensed veterinarian duly registered at the Bureau of Animal Industry (BAI).

Competent Authority refers to the office / agency with authorized jurisdiction.

Event Site refers to the entire venue within the perimeter and the activity and shall include the following areas: registration, security check post/s, veterinary examination, animal emergency station/s, animal holding area, sanitary facilities and exhibit/functional area.

Revocation refers to the imposition of administrative sanction as a consequence to an offence, wherein authorization to conduct or organize an animal-related event is cancelled or revoked.

Suspension refers to the imposition of administrative sanction as a consequence to an offence, wherein authorization to conduct an animal-related event is temporarily withheld for a specific time frame.

PROCEDURES

All animal-related event organizers shall secure a Clearance from the Bureau of Animal Industry or through the deputized animal welfare officer from DA-Regional Field Office (DARFOs) prior to the conduct of the animal-related event.

All vaccination and prophylactic documents shall be signed by a duly licensed Veterinarian.

As required by the law, all dogs shall have been vaccinated against Rabies by a duly licensed veterinarian. Such vaccination shall be no less than 14 days and no more than one year at the time of the event. Proofs of vaccination shall be presented to the animal-event veterinarian.

All animals shall be under the effective control of its handler in the form of a leash, harness, cage or any other humane means to handle the animal to prevent any loss of life, injury or other health impacts to other animals or humans, property damage, social and economic disruption or environmental degradation.

Emergency kit and medicines shall be provided by the animal-event organizer as prescribed by the designated animal-event veterinarians at all times during the activity.

A vehicle shall be made available to transport injured animals to a veterinary facility.

No animals, unaccompanied by the handler, shall be placed alone inside a vehicle even with a running air-conditioning or ventilation fan.

Any person who shall commit maltreatment, neglect or cruel acts such, as but not limited to, neglect to provide adequate care, water, and shelter during the duration of the event shall be immediately reported to the animal-event veterinarian or government law enforcement authority.

Smoking within the event site, functional area and in the rest of the animal holding area shall be strictly prohibited.

DUTIES AND RESPONSIBILITIES OF THE ANIMAL-EVENT VETERINARIANS

The Animal-Event veterinarian shall be present during the entire duration of the events to conduct rounds, to attend to emergencies, and shall ensure that relevant provisions of the animal welfare laws, its revised implementing rules and regulations and related administrative issuances are complied with accordingly.

The Animal-Event veterinarian shall examine all animals before entering the venue and functional area. This examination shall include among other things, the physical fitness of the animal, the presence or absence of a communicable disease, evidence of maltreatment or cruelty or uncontrolled aversive behaviour and required vaccinations by the BAI.

The Animal-Event Veterinarian shall ensure that any cases of maltreatment, neglect or cruelty in the animal-event site shall be dealt with, acted upon and immediately reported to the law enforcement authority.
