MEMORANDUM CIRCULAR

No. 53
Series of 2023

SUBJECT : TRANSITORY GUIDELINES ON THE IMPLEMENTATION OF THE BUREAU OF ANIMAL INDUSTRY MEMORANDUM CIRCULAR NO. 50, SERIES OF 2023

The Bureau of Animal Industry has issued Memorandum Circular No. 50, Series of 2023, "Clarificatory Guidelines for the Issuance, Replacement and Revocation of Export Certificates and Clearances for Animal Products (including Processed and Canned Products), which was submitted to the Office of the National Administrative Register ONAR last November 23, 2023. This Circular provides guidelines on issuing, replacing, and revoking export certificates/clearances.

In view of the foregoing, the BAI hereby announces that the National Veterinary Quarantine Division (NVQSD) will still process requests for export clearances submitted through the email address until December 31, 2023. Strict observance of the submission of all requests through the online portal will commence on January 1, 2024. This provides ample time for stakeholders to comply with the stated guidelines.

Moreover, due to the limited accessibility, only the NVQSD Central Office will use the online portal to issue export clearances. All requests submitted through the Veterinary Quarantine Stations will still be issued manually.

For strict compliance.

Done this 12th day of DECEMBER 2023.

PAUL C. LIMSON, DVM
Director
